

NEW **PRODUCT** ANNOUNCEMENT

INTRODUCING

P R E M I U M F I N I S H I N G S T A R C H

APEX™ Premium Finishing Starch is an innovative, pre-gelatinized powder starch developed for *Enhanced Performance* and *Maximum Consistency* over the widest range of conditions and fabrics. Superior film strength coupled with its Signature “Satin Feel” create *added value versus Cleartex™ or other premium starches*.

FEATURES

- Disperses and Dissolves quickly in Cold or Warm Water
- Optimum Solubility on Wider Range of Textiles
- Uniquely Developed Sizing Characteristics
- Cost Effective to Use

BENEFITS

- Increased Production Efficiency
- Better Penetration and Adherence to Fibers
- Clear Film will Not Mask Colors or Dull Fabric Brightness
- Excellent Stiffness with a Distinctive “Satin” Feel
- Efficient Performance coupled with End-Customer Loyalty

APEX™ Premium Finishing Starch
