

# Faultless® Laundry Products Group

**BRIGHT LINE Alkali Powder** is a High-Power Laundry Builder used in Medium and Heavy soil classifications to help:

- ★ Convert grease fats and vegetable oils into water-soluble soaps that add to cleaning efficiency
- ★ Neutralize Acidic Contaminants
- ★ Work in conjunction with Surfactants to Disperse Contaminants Alkali

## IDEAL FOR USE ON:

- ✓ Table & Party Linen
- ✓ Institutional / Correctional Facilities
- ✓ Uniforms
- ✓ Hospitality

## USAGE:

Usage may vary due to the characteristics of the local water supply, type of equipment, load size, other chemistry, and degree of soiled material. Please consult your Faultless Technical Representative for proper formulation and usage rate.

## HANDLING:

Handle strong alkalis with care. Wear full protective clothing and wash off any splashes with plenty of water. For detailed health and safety information consult the Safety Data Sheet (SDS) available from our Distributors or at [LPG.FAULTLESS.COM](http://LPG.FAULTLESS.COM)
